

Stock Gift Instructions

Thank you for inquiring as to how to make a gift of stock to Silver Hill Hospital.

Securities held in a brokerage account may be transferred electronically into the Silver Hill Hospital account at Prudent Management Associates. Please provide your broker with the name and address of our Prudent Management representative:

DTC #: 0226
Account #: 657-700366
FBO: Silver Hill Hospital Portfolio
Attn: Richard Jones T. Lerch
Address: Prudent Management Associates
1735 Market Street, Suite 3902
Philadelphia, PA 19103
Phone: (215) 994-1062

When making your gift, it is very important to notify the Development Office in advance with the following information: your name and address, and the name of the security and number of shares you are contributing. This is because when shares are transferred broker to broker, only the stock name and the number of shares are communicated, and not the donor's name. Advance notice enables us to immediately identify your stock as a gift from you and acknowledge your generosity for tax purposes.

To donate securities for which you have a stock certificate in hand, please contact the Development Office directly for instructions on how to do so.
