---	-----------------------	--------------

**INPATIENT**

**Self Pay** – payment is required at time of admission:

Psychiatric	\$ 13,000 deposit required
Dual Diagnosis	\$ 13,000 deposit required
Addiction	\$ 10,000 deposit required

**Contracted Payers** – During the admission process patients are advised of the requirement to pay deductible and co-insurance amounts, if applicable. After benefits are verified, patients are advised of their financial obligation and payment is requested by Admissions staff.

**Non-contracted Payers** – Patients are treated as self-pay for the purpose of collecting a deposit. Authorization for admission is obtained for patients with an out of network benefit. Patients must sign a non-covered letter. The patient will be provided an itemized bill for submission to their insurance company after discharge.

**TRANSITIONAL PROGRAM**

All patients admitted to the Transitional Living Program are required to pay the base cost of the program prior to admission. This includes patients admitted to an observation bed.

Patients seeking direct admission from the community or another facility to the Dialectical Behavior Therapy (DBT), Persistent Psychiatric Disorder, Chronic Pain and Recovery, Eating Disorder, Adolescent Transitional Living, and The Steward House\* programs will require a one or two-day stay in an observation bed on an inpatient unit prior to admission to the Transitional Living Program. In such cases an additional charge of \$1,600 per day will be added to the base cost of the Transitional Living Program. \*Observation days are included in the base charge of The Steward House Program.

**Self-Pay and Non-contracted Payers**

The base cost of a 28-day stay in the Transitional Living Programs varies by treatment track:

- Addiction Program - \$37,100
- Dual Diagnosis Program - \$37,100
- DBT Program - \$40,600
- Chronic Pain and Recovery Program - \$44,000
- Eating Disorder Program- \$45,000
- Adolescent Program - \$37,100
- The Steward House Program - \$70,000

The base cost of a 42-day stay in the Persistent Psychiatric Disorder Program is \$55,650.

The cost of medications, laboratory tests and personal items are not included in the base cost of the program. Your insurance will be billed separately for medications and laboratory tests.

Patients that choose not to complete the entire length of their program will be subject to a non-refundable charge of up to \$9,275 for regular accommodations, and up to \$18,550 for private accommodations. .

Patient Name

### **Contracted Payers**

All of the Transitional Living Programs have an intensive outpatient treatment program (IOP) as part of the daily programming.

Prior to admission to the Transitional Living Program, patients with in-network coverage for IOP services will have benefits verified. Patients are advised of their obligation to pay the deductible and co-payment for IOP services at admission.

A deposit for the stay minus estimated insurance payment for IOP visits is collected at time of admission. Patients are also advised that if IOP benefits cease to be authorized during their stay, they are required to sign a non-covered letter and are responsible to self-pay for the IOP at the contracted rate.

The base cost of a 28-day stay in the Transitional Living Programs, minus **estimated** insurance payment for an authorized IOP benefit, varies by treatment track:

- Addiction Program - \$30,980 (18 estimated IOP services)
- Dual Diagnosis Program - \$30,980 (18 estimated IOP services)
- DBT Program - \$34,480 for patients not requiring an observation bed (18 estimated IOP services)
- Chronic Pain and Recovery Program - \$37,880 for patients not requiring an observation bed (18 estimated IOP services)
- Eating Disorder Program - \$38,880 for patients not requiring an observation bed (18 estimated IOP services)
- Adolescent Program - \$30,980 (18 estimated IOP services)
- The Steward House Program - \$63,880.00 (18 estimated IOP services)

The base cost of a 42-day stay in the Persistent Psychiatric Disorder Program, minus estimated insurance payment for an authorized IOP benefit, is \$49,530.00 (18 estimated IOP services)

If requested by an insurance company, single case agreements for inpatient services or the Transitional Living Program can be negotiated. An insurance company representative should contact Suzzette Giordano, Director of Patient Accounts, at 203 801-2286, to discuss payment rates and terms.

Patients requesting a payment plan must contact Patient Accounts at 203 801-2287 prior to admission to arrange a payment schedule.

### **Private Rooms**

Requests for private rooms that are double occupancy are accommodated on a case by case basis.

The base cost of a private room in the Addiction, Dual Diagnosis and Adolescent Transitional Living Programs is \$72,800. The base cost of a private room in the DBT Program is \$79,800, for the Eating Disorder Program it is \$88,600 and for the Pain and Recovery Program is \$86,600. The fees are for a 28-day stay. All rooms at The Steward House are private accommodations.

The base cost of a private room in the Persistent Psychiatric Disorder Program is \$109,200 for a 42-day stay.

Patients requiring an observation bed prior to admission to the Transitional Living Program must pay an additional \$3,200 per day for a private room.
