# Introducing PATH– Priority Access to Healing

## Our seamless system addresses the needs of referring clinicians, their patients and families, from referral to day of admission.

Silver Hill Hospital is always striving to enhance our partnerships with valued referring providers and our new PATH Program is the latest initiative. It gives our PATH providers direct access to our hospital, fast tracks the patient admissions process and gets patients into treatment quickly.

As one of our esteemed partners, you can expect a list of benefits including:

- A single point of contact with Silver Hill Hospital—your PATH Advisor and liaison to all hospital departments
- Expedited, streamlined answers to your questions and inquiries about new or existing patient admissions
- Seamless communication from initial contact through admission
- Direct access to medical and clinical staff at the hospital
