

## *Silver Hill Hospital Virtual Grand Rounds*

### **COVID Resilience Campaign**

Presented virtually by:

**BG (Ret) Stephen N. Xenakis, M.D. and Rocco Marotta, M.D., Ph.D.**

**Wednesday, June 17, 2020**

**11:30 a.m. - 1:00 p.m. EDT**

Live Presentation via Microsoft Teams

The program is an overview of the Corona Resilience Campaign (CRC) based at Silver Hill Hospital. The Campaign offers training, guidance, and resources to organizations with frontline personnel (FLP) in direct contact with COVID patients, e.g. law enforcement, nursing homes, hospitals, clinic, etc. The CME program reviews the current scientific information on COVID, principles and deliverables of the CRC, and elements for assessing the neuropsychiatric consequences of COVID infections.

Learning objectives:

1. Describe the pathophysiology, course of illness, and models for COVID infections in the USA.
2. Discuss the principles and elements of an effective resilience campaign.
3. Explain the neuropsychiatric consequences of COVID infections.

**Silver Hill Hospital is accredited by the Connecticut State Medical Society to sponsor continuing medical education for physicians. Silver Hill Hospital designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.**
