### INPATIENT

**Self Pay** – payment is required at time of admission:

Psychiatric	\$ 16,800 deposit required
Dual Diagnosis	\$ 16,800 deposit required
Addiction	\$ 12,000 deposit required

**Contracted Payers** – During the admission process patients are advised of the requirement to pay deductible and co-insurance amounts, if applicable. After benefits are verified, patients are advised of their financial obligation and payment is requested by Admissions staff.

**Non-contracted Payers** – Patients are treated as self-pay for the purpose of collecting a deposit. Authorization for admission is obtained for patients with an out of network benefit. Patients must sign a non-covered letter. The patient will be provided an itemized bill for submission to their insurance company after discharge.

### TRANSITIONAL PROGRAM

All patients admitted to the Transitional Living Program are required to pay the base cost of the program prior to admission. This includes patients admitted to an observation/program evaluation bed.

Patients seeking direct admission from the community or another facility to the Dialectical Behavior Therapy (DBT), Persistent Psychiatric Disorder, Dual Disorders, DBT-S, Adolescent, or The Steward House Transitional Living programs will require a one or two-day stay in an observation/program evaluation bed on an inpatient or alternate unit prior to admission to the Transitional Living Program. In such cases, an additional charge of \$1,800 per day will be added to the base cost of the Transitional Living Program.

**Self-Pay and Non-Contracted Payers**

The base cost of a 28-day stay in the Transitional Living Programs varies by treatment track:

- Addiction Program: \$49,840
- Dual Diagnosis/DBT-S Program: \$49,840
- DBT Program: \$49,840
- The Steward House Program: \$73,500

The base cost of a 35-day stay in the Adolescent Program is: \$58,625.

The base cost of a 42-day stay in the Persistent Psychiatric Disorder Program is: \$61,530.

The cost of medications, non-routine laboratory tests and personal items/services are not included in the base cost of the program. Your insurance will be billed separately for medications.

Patients that choose not to complete the entire length of their program will be subject to a non-refundable charge of up to \$12,460 for regular accommodations, and up to \$24,570 for private accommodations. For Steward House Program, the non-refundable charge is up to \$18,375.

**Contracted Payers**

All the Transitional Living Programs have an intensive outpatient treatment program (IOP) as part of the daily programming.

Prior to admission to the Transitional Living Program, patients with in-network coverage for IOP services will have benefits verified. Patients are advised of their obligation to pay the deductible and co-payment for IOP services at admission.

A deposit for the stay minus estimated insurance payment for IOP visits is collected at time of admission. Patients are also advised that if IOP benefits cease to be authorized during their stay, they are required to sign a non-covered letter and are responsible to self-pay for the IOP at the contracted rate.

The base cost of a 28-day stay in the Transitional Living Programs, minus **estimated** insurance payment for an authorized IOP benefit, varies by treatment track:

- Addiction Programs: \$44,254 for patients not requiring an observation bed (14 estimated IOP services)
- Dual Disorder/DBT-S Programs: \$44,254 for patients not requiring an observation bed (14 estimated IOP services)
- DBT Program: \$44,254 for patients not requiring an observation bed (14 estimated IOP services)
- The Steward House Program: \$67,914 for patients not requiring an observation bed (14 estimated IOP services)

The base cost of a 35-day stay in the Adolescent Program, minus **estimated** insurance payment for an authorized IOP benefit, is \$51,443 for patients not requiring an observation bed (18 estimated IOP services)

The base cost of a 42-day stay in the Persistent Psychiatric Disorder Program, minus **estimated** insurance payment for an authorized IOP benefit, is \$54,348 for patients not requiring an observation bed (18 estimated IOP services)

If requested by an insurance company, single case agreements for inpatient services or the Transitional Living Program can be negotiated. An insurance company representative should contact Angel Betancourt, Director of Patient Accounts, at 203 801-2301, to discuss payment rates and terms.

Patients requesting a payment plan must contact Patient Accounts at 203 801-2301 prior to admission to arrange a payment schedule.

**Private Rooms**

Requests for private rooms that are double occupancy are accommodated on a case by case basis.

The base cost of a private room varies by treatment track:

- Addiction/ Dual Disorder Diagnosis/DBT-S: \$98,280 (28-day stay)
- DBT Program: \$98,280 (28-day stay)
- Adolescent Program: \$115,500 (35-day stay)
- Persistent Psychiatric Disorder Program: \$120,960 (42-day stay)
- All rooms at The Steward House are private accommodations

Patients requiring an observation/program evaluation bed prior to admission to the Transitional Living Program must pay an additional \$3,600 per day for a private room.

**INTENSIVE OUTPATIENT PROGRAM**

**Self Pay** – payment is required at time of start of program:

24 Sessions                      \$ 9,576 deposit required (\$399 per session)

**Contracted Payers** – During the admission process patients are advised of the requirement to pay deductible and co-insurance amounts, if applicable. After benefits are verified, patients are advised of their financial obligation and payment is requested by Patient Accounts Dept.

**Non-contracted Payers** – Patients are treated as self-pay for the purpose of collecting a deposit. Authorization for admission is obtained for patients with an out of network benefit. Patients must sign a non-covered letter. The patient will be provided an itemized bill for submission to their insurance company after discharge.
