If you choose to make a planned gift, it can have many benefits:

- ❖ **Flexible:** your assets remain in your control should you need them later in life
- ❖ **Meaningful:** you know that your gift will help improve the lives of others and you may be able to make a much larger gift than you ever thought possible
- ❖ **Revocable:** you can change the amount and purpose of your gift at any time
- ❖ **Simple:** it can be quick and straightforward, like filling out a beneficiary designation form
- ❖ **Tax-efficient:** gifts made to charities are not generally subject to income or estate taxes which means 100% of your gift will be put to good use by Silver Hill

Popular Ways to Make a Planned Gift

- **Bequests in Your Will or Revocable Trust**

For many, the simplest way to make a planned gift is through a bequest in your will or revocable trust. Bequests cost you nothing now and are 100% deductible from your taxable estate potentially providing significant estate tax savings. You can leave a bequest of a specific dollar amount, a piece of property, securities, a percentage of your estate, or other assets.

Suggested wording for including Silver Hill in your will or trust:

"I give and bequeath to Silver Hill Hospital, a 501(c)(3) non-profit organization with the business address of 208 Valley Road, New Canaan, Connecticut 06840, and federal tax identification number 06-0655139, _____ dollars or % of my total estate (or other property) to be used exclusively for its general charitable purposes."

We also welcome bequests for special purposes and will be happy to consult with you about available gift opportunities and specific wording.

- **Retirement Plans**

Using your retirement assets can be one of the most tax-efficient ways to fund all or part of a planned gift to Silver Hill. Retirement plans that remain in your estate are often subject to both estate and income taxes when received by your heirs. You can name Silver Hill as the beneficiary of all or part of your plan and limit this potential double taxation.

- **Donor Advised Funds**

When you establish a donor-advised fund, you may be prompted to list a beneficiary(ies) for the fund. You can name Silver Hill as the beneficiary of all or part of your donor-advised fund and provide for the Hospital in the future.

- **Life Insurance**

Another way to make a future gift is to name Silver Hill as the beneficiary of all, or part, of a new or existing life insurance policy. Depending on the type of policy donated, you may receive an immediate tax deduction, and any future premium payments may also be tax deductible.

- **Charitable Remainder Trusts**

You can use an irrevocable trust to provide yourself and/or a loved one with a fixed annual income or an annual income that varies with the value of the trust. Part of your gift qualifies for an income tax deduction. At the death of the last income beneficiary, the remainder of the trust is distributed to charitable beneficiaries, such as Silver Hill.

- **Charitable Lead Trusts**

You can support Silver Hill and other charities for a term of years or for the life of an individual by creating a charitable lead trust. Income will be paid to Silver Hill each year during the term of the trust. When the trust terminates, the assets in the trust revert to you or to individuals you wish to benefit.
